Civic Youth Orchestra First Concert Planned For February

The Civic Youth Orchestra, a new 70-piece symphony organized two months ago for advanced young instrumentalists of the metropolitan San Diego area, will present its first free public concert at 8:30 p.m., Feb. 9 in Hoover High School auditorium, Daniel G. Lewis, conductor, announced. The orchestra has been rehearsing twice-weekly since mid-October.

Basic expenses for running the orchestra are being met by an annual tuition from each playing member, but to help realize the organization's full objectives five classes of supporting memberships have been established, according to Mrs. Conant Moulton, president. These include sponsoring business firms, civic groups and organizations; individual donors and patrons; family memberships, and individuals.

Orchestra members from Lemon Grove and the instruments they play are: Jan Baxter, bassoon; Donna Bullock, principal French horn; Kenneth Bullock, string bass; Gary Curl, trumpet; Kathy Pendergast, principal viola; James Glazebrook and Dorothy Nicodemus, violin, and David Waterman, trombone. Judy Edmundson, principal of second violins, and Peggy Reimers, violinist, are from Spring Valley.

Directors of the organization in addition to Mrs. Moulton are William F. Rosser, vice president; Mrs. Herbert W. Rubottom, secretary; A. L. Anderson, treasurer; Crandall Condra; Howard Brubeck; Mrs. Donald M. Hill; Russell Keeney; Dr. Clyde H. McMorro; Dr. David Miller, and Walter B. Trepte.

TV Set Given to Senior Citizens of Local Sanitarium

A collection of the Lemon Grove Woman's Club opened its holiday activities with a Christmas party on Tuesday, December 11, for the entertainment of the patients at the Cresta Loma Sanitarium on Palm Avenue.

Ice cream and home made cookies were served and the celebration was climaxed by the presentation, to the patients, of a 14 inch television set by Mrs. James A. Setchell, chairman of the welfare committee, in the name of the Vogue.

In the photo are: Mrs. Harold Wolfarth, Vogue's chairman; Mrs. Setchell; A. A. Jacobsmeier, radio technician and Mrs. June Denney of Cresta Loma.

The technician represents Skyline TV, a local firm which shaved the price of the set to make the gift possible, the women said.

Aliens Must Fill Out Address Cards During January

Every alien in the United States must report his address to the Immigration and Naturalization Service during January, George W. Scallhorn, officer in charge warned this week.

In San Diego and Imperial counties 22,500 aliens reported in January 1956. This number is expected to be at least 10 percent larger now, he said.

The law requires that each alien must fill out an address report card at the local U.S. post office or the nearest Immigration Service office and return the card to the clerk. No one should mail the card himself.

Any alien who willfully violates the address report requirement may be fined up to \$200, imprisoned for 30 days and deported.

Address report cards will be available beginning January 1st, at the Immigration Service Office, 325 West F Street, San Diego and at local post offices.

SGT. ANDREWS IN IWO JIMA PRACTICE

IWO JIMA (Spcl.)—Sgt. David C. Andrews, son of Mr. and Mrs. I. C. Andrews of 7453 Pacific Ave., participated in amphibious ship-to-shore maneuvers with the 9th Marine Regiment of the 3rd Marine Division on the tiny volcanic island of Iwo Jima.

Highlight was when part of the landing force, using small landing craft, hit the beach while other Leathernecks hopped over the simulated beach defenses in helicopters to an inland site.

The maneuver was part of a continuous testing program of the Marine Corps' original vertical envelopment theory which provides a landing force with a powerful one-two punch for securing a beachhead.

School Boards In Area To Discuss Junior College

The Grossmont School Board at its Monday, December 10 meeting discussed the proposed session on the junior college problem scheduled with the elementary school districts January 21. A letter was drafted reassuring the elementary districts that the Grossmont board did not propose immediate action on the proposed junior college unless and until community opinion appears to warrant it. The board also stressed that the meeting on January 21 will not be an "action" meeting, but simply to discuss the things that should happen before proceeding with the junior college.

Report Made

A report was made to the board on a new constitution for the Grossmont district teachers, by Raymond Kniss, newly elected president of the organization. Other officers are Robert Burnham, vice president; Foris Edgar, treasurer; John Barrons, secretary.

The report said the purposes of the organization are:

1. To give all teachers the opportunity to study the problems that affect them professionally.
2. To be representative of all teachers and to speak authoritatively for teachers in the formation of school policies.
3. To improve the professional, economic, social, and civic status of teachers.
4. To promote the highest type of professional practices among teachers.
5. To work to promote the general welfare of the schools and the communities of the district.

Attendance Increases

A report from John Davis, director of adult education, showed a 15.7% increase in attendance in adult education classes. Most popular classes were language, homemaking, arts and crafts, industrial arts and social sciences. Mathematics showed a 63% increase, but the greatest occurred in the hospital attendants class with a 273% increase. The latter class is sponsored by the district in cooperation with Grossmont Hospital and Edgemore Farms.

Audit Presented

Nat Eggert presented an audit report which showed the financial operation of the schools was being handled in a businesslike manner. The board complimented Eggert and approved a continuance of services for the next year for an amount not to exceed \$1800.

The board also authorized transfer of funds from the building fund in the amount of \$130,026 to the general fund to replace advances previously made from the general fund to expenditures for site development and architectural fee at the Mount Miguel High School.

National Council

An excellent report was made by Mrs. Dorothy Smith on her attendance at the National Council.

of English Teachers in St. Louis during November. The report stressed the great variety of responsibilities which the high school English department must shoulder and the need for increasing competence in ability to read, think, write, listen and to speak effectively and clearly. The development of ethical and esthetic values also was stressed.

S. F. Conference

District administrators who attended the San Francisco conference reported the following needs through legislation:

1. Unification of school districts.
2. A permanent program for school construction aid on an equalization basis which will encourage more local control, will provide a 40 cent limitation on district contribution for building program and will allow for construction of complete facilities.
3. The same provisions to be applied to the present State School Building Loan Fund.
4. The need to encourage able young people to enter teaching as a profession.
5. Equalization of assessment practices throughout the state.
6. The state should make available the best textbooks published in the United States.

The report stated that Governor Knight closed the session with an appeal for greater interest in civil defense, driver training and support for education.

There's Still Honesty Around—You'll Find it in Youth

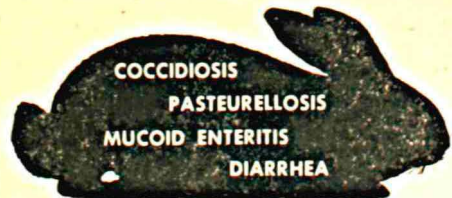

Communications miracles are not all concerned with the mystery of electronics space travel by words or dots and dashes.

William H. Parker, Pacific Telephone and Telegraph Company district manager, had an assistant report that upon opening an envelope the other day, three shiny quarters rolled out on the desk. The remittance and its accompanying letter were from Mrs. Andy Rosenberger, 2621 Cherry Lane, Lemon Grove. The letter explained that her small son Andy, 11 year old Boy Scout, had tried to call home from a pay station booth on the St. John of the Cross school grounds. Andy dialed incorrectly, and pushed

new Pillsbury R-304
helps fight all
four deadly diseases

TESTED AND PROVED ON 60,000 CALIFORNIA RABBITS
New Pillsbury R-304 is now available at our store. It's an entirely new kind of feed. A balanced ration that keeps rabbits growing safely to market while it checks coccidiosis; helps control mucoid enteritis, pasteurellosis and diarrhea. How? New R-304 delivers six times more antibiotic power than ever before available in standard rabbit growing feeds—plus sulfaquinoxaline and high-level vitamins.
Result: with new R-304 you can save more rabbits for market. And every rabbit saved will give you a bonus profit over your previous feeding program. Cut mortality. Get R-304 today.

THREAT OF FIRE HANGS HEAVY OVER AREA AS RAIN STAYS COY

Ending of the fire danger season, first scheduled for December 15, has been extended indefinitely because Jupiter, (with two ps.) also referred to as Pluvius, has withheld his bounty—some reporters called him Jupiter Pluvius 40 years ago when late rains came along and saved the country. Sure, we had dry years even then, but not as lacking in rainfall as has been suffered of late years.

Just to settle this Jupiter Pluvius stuff in my own mind, I looked up Jupiter in my little encyclopedia, \$7.50, 10 years ago, found that Jupiter or Juppiter, supreme deity of ancient Rome, corresponding to the Greek Zeus, was the god presiding over the heavens, and was considered the originator of all changes that took place in the sky, such as rain, hail and thunder. Next, we looked up Pluvius in Lempiere's Classical Dictionary, printed in 1832, and found "Pluvius, a surname of Jupiter as god of rain. He was invoked by that name among the Romans, whenever the earth was parched up by continual heat and was in want of refreshing showers". So that cleared up the matter for me, and hereafter it will be Jupiter or Pluvius, whenever we refer to the gent. And we hope he will be generous this year with his rain. The thunder and hail may be dispensed with.

WATER AFFECTED

Regarding the recent disastrous fire which burned off 44,500 acres of our watershed, we were told by Mr. Gross, of the Helix Irrigation District office, that out water supply will be affected somewhat by the rains this winter. If the run-off from rain is heavy, much debris, ashes and soil will be washed down the river to El Capitan Reservoir, and the water will be muddy for a couple of years.

Incidentally, Helix Irrigation District will contribute 9 percent of cost of re-seeding the El Capitan Reservoir area burned, figuring that amount as a fair share of the expense, \$612.00. Total expense of re-seeding burned area \$60,000 estimated.

James Fenlon, San Diego ranger for California Division of Forestry, said water conditions make the fire situation critical. "The State provides emergency funds for continuation of the fire season if conditions like we now have continue beyond the budgeted period", Fenlon said. Funds for San Diego county are budgeted only through December 15. "We haven't had enough rain to get the grass started growing. The east winds for the last few days have dried out the ground since the little rain. We have had several small fires since last weekend," Fenlon said.

40 MILLION GALLONS

Rogers Construction Co., of San Diego Tuesday was awarded a contract for work increasing the capacity of Grossmont Reservoir. Rogers submitted low bid of \$641,697, which was \$103,328 more than district engineers estimated for the project. The reservoir, located north of Grossmont High School, will be increased from a 40-million gallon capacity to a 114-million gallon affair by widening and deepening it.

Other work being done by the Helix District is evidenced in various places. The line from San tee south on Magnolia is being renewed with 36" cement pipe, and a line in Lemon Grove along the Railroad has new cement pipe on the ground, ready to be buried. This work is being paid for with money from the 5-million dollar bond issue. Now if Jupiter will do his stuff, we will be in good shape for water next year. "It is all in the hands of the gods."

Civil Defense Program in Area Gains Momentum

School Evacuation

The San Diego County Civil Defense publication "Arrow" states that there is a lively program being executed in the area. Schools of Spring Valley, Lemon Grove and El Cajon are entering actively into a program of school evacuation planning.

A total of 20 schools, including two parochial, are equipped with individual maps of the area in which their students live. The maps are back-printed on federal air raid signal instruction cards. Through the PTA organizations cars are being inventoried and traffic instructions are being issued to control movement to the schools.

Basic CD Course Important

The basic civil defense course is a must according to officials, not only to those registered in civil defense but to the general public itself. The course content covers federal, state and local organization and presents the minimum protective action for all under disaster conditions.

Radiological Defense

This course under the instruction of Jack Lindsey provides general information on the hazards of fall-out and radioactivity and the personnel defenses which may be employed. This is a short course, three Wednesday evenings—and is repeated on the first Wednesday of each month. It is recommended for all CD personnel and the public.

Local Groups Graduate

Fourteen persons of CD in the Spring Valley-Lemon Grove area were graduated from a staff organization and function class in

November. Bryant Kearney was instructor.

Public Urged to Enter CD

There are many phases of Civil Defense that both men and women may enter and all are urged to contact their local Civil Defense leader. You will not only be protecting your community but your country as well.

O.E.S. MEETING TO BE DECEMBER 26

A stated meeting of San Miguel Chapter 579, Order of the Eastern Star, Wednesday, December 28, 8 p.m. Worthy Matron Clara Fulton presiding.

TRINITY PRESBYTERIAN CHURCH TO HOLD CANDLELIGHT SERVICES

Members and friends of the Trinity Presbyterian Church on Kenwood Drive are reminded of the annual Christmas Eve candlelight service to be held Monday evening, December 24 at 7:30 p.m.

Grove Heights Paving Finished

Last week marked the completion of street paving and installation of sidewalks at Grove Heights, new subdivision of 40 homes in Lemon Grove.

Leonard Drogin, builder, reports that the sales pace at Grove Heights indicates there is still a large market in San Diego area for veteran's homes. These homes are GI financed with low down payments.

Drogin also announced plans for Helix Hills, a new subdivision of 31 homes near El Cajon. Grading is underway, and construction is expected to start soon after the first of the year. He said a wide range of financing would be available when Helix Hills sales program opens, including VA, FHA and conventional mortgages.

Come on in, boys. The weather's fine in Lemon Grove; "best climate on earth", and we have

finest schools and playgrounds in the county. Make your dream home in Lemon Grove!

Auren Pierce Trades Well For Inclusion Rights

Auren Pierce, owner of a producing well on his property east of El Cajon, has traded the well for inclusion of 56 acres of land along Vista Grande Road, near the Singing Hills Country Club, out Dehesa way.

The Irrigation District has been pumping water from this well, approximately 60 acre feet of water yearly, for a number of years.

Pierce offered his well to the District last October in trade for inclusion of 56 acres in the District. The included lands are not expected to demand as much water from the District as the well will produce. Directors postponed action on the cost of delivering water to the Pierce lands until the staff has made a study and recommendation.

Overhaul of the pump and shock treatment of the well improved the well's output. Looks like the District gets made a good trade. They might put in a bottling plant and go into competition with Arrowhead and Sparklets if demand for drinkin' water continues to increase.

Memorial Services Held For S.V. Resident

Memorial services for Benjamin Fox, 68, of 2602 S. Cordova St., Spring Valley, who died Dec. 8, were held Wednesday. The Rev. Joseph S. Fox, former San Diego minister and Fox's brother, conducted the rites.

Fox, a hotel clerk, had lived in Spring Valley for 26 years. He was a native of England. Besides his brother, he is survived by a son, Joseph N. Fox of Lemon Grove, and a daughter, Mrs. Charles N. Davies of National City.

County Farm Advisor Hinshaw Shows Rain Erosion, Soil Saving Movies to Joint 4-H Meeting

David Hinshaw, county farm advisor, appeared before a joint meeting of the Spring Valley and Lemon Grove 4-H groups in the Spring Valley Junior High School music room last Wednesday afternoon. He showed two movies, one on rain and the second on soil conservation.

The first picture, "Junior Raindrop," showed what rain can do to watersheds after a forest fire or too many cattle or sheep grazing. The picture pointed out that reseeded of the land is being done when necessary. It concluded on a note that it is up to the people themselves to take care of the watersheds, to make sure that no fires occur.

The second picture "The Land of Our Fathers" told the story of soil erosion and how the range areas can be made useful. It told that erosion has been going on for millions of years, but that it is not all bad. The fertile valleys are caused by silt being washed down from the hillsides. Most ranchers have learned how to control soil erosion.

The picture went on to show how trees and grass can be replaced. It showed what a great benefit to mankind grass is, giving shape to cattle, leather goods, medicines and many other products. The movie showed the abundant crops we have in the United States, and disclosed that there never has been famine in the "Land of Our Fathers."

The history of our country was shown in the picture, how the pioneers built up the west, how new methods of irrigation are operating today, and how even the lowly beaver with his dams is a help to the rancher.

The rancher of today has learned new methods of reseeded, how to control the grasshopper situation and how to study grass nutrition for the benefit of his stock. The rancher today is a conservationist, the picture pointed out.

Hinshaw, during the discussion period that followed the pictures, said that the 4-Hers will have the responsibility of making decisions in the near future regarding the care of the land. He said that forest fires are the cause of much silt being deposited in our reservoirs.

He stated that the recent burned out areas in San Diego County are soon to be reseeded. He said that one third of San Diego County is privately owned and that much of the land is being used for stock grazing. The agriculture acreage in the county is on the increase, he pointed out. It is important that ranchers

Turns House Painter On Thanksgiving Visit

Mr. and Mrs. Lefker, who own two acres of property with a beautiful view at 8919 Campo Road, Spring Valley, planted to orange, lemon and avocado trees, held their annual Thanksgiving homecoming of their children and grandchildren.

A son, stationed in the East—he's a Marine and unmarried—was unable to attend the annual gathering of the clan, but another son, Ray Lefker, who lives in Encanto, with his wife and son, were there you bet, and a daughter, Mrs. Don Newnes, and her daughter, Flora, who live in Vista part of the time and Don, threw their respective feet under the table on Thanksgiving Day.

The boys had to go to work Friday, but Mrs. Newnes stayed over to visit with mother for a couple of days, and put in her time painting the house.

"It needed painting and my daughter can paint like a member of the Painter's Union, so she opened a can of white paint, grabbed a brush and started on the main entrance" (the south side of the house, which has a roofed porch,) explained Mrs. Lefker. Daughter was busy on the window frames, had a tin shield to keep the paint off the glass, did a fine job on the woodwork.

Mrs. Newnes said they had plenty of water in Vista, wasn't worried about the irrigation supply for their 10-acre avocado orchard. The Newnes family spend part of each year on the desert, because of their little girl's affliction of asthma, almost unbearable at times. The desert air gives her relief at certain seasons of the year. She's a pretty sick kid at times, Grandma said.

Mr. and Mrs. Lefker have chickens, sell eggs and stewing hens, fryers in season. Mr. Lefker knows proper care for his trees, which are green and vigorous. He anticipates a good orange crop this year, the trees

being heavily loaded with blossoms. One hundred forty Red hens will be in operation as soon as they recover from the cold spell that threw them off production. These pullets had just started to lay before Thanksgiving when the cold wave hit, and threw the whole flock off, resulting in disappointment to many customers. This reporter was "included in" on the debacle, luckily had two dozen brown eggs engaged, but his intake was cut in half, eggs and mush making up his matutinal meal.

Anyhow, the house got painted, and by a woman. Of course, Grandpa Lefker helped, but the daughter sparked the job.

If you want a beautiful view of Spring Valley, call on the Lefkers, meet a charming couple of old-fashioned folks from Ohio, where the family settled 150 years ago near Cincinnati, and feast your eyes on the green across "Our Valley".

Merry Christmas . . . 30 DAY SUSPENSION OF DRIVER'S LICENSE

Fred M. Alken, 3706 Harris Street, Lemon Grove, was given a Christmas present by Judge J. Fenton Garfield in municipal court.

Alken was arrested Nov. 30 by La Mesa police after he went through a stop light at Lakewood and Highway 80. He got a \$6.00 ticket for that, and his license was suspended. A few days later the gentleman appeared before Judge Garfield again, this time for driving with a suspended license.

This time he really got his Christmas. His Honor sentenced the culprit to 180 days in jail, with 150 days suspended. He was placed on three years probation. Merry Christmas, Fred.

Installs Officers for 1957

Ernest M. Newton, operator of the Lemon Grove Stationers on Main Street, was master of ceremonies at the installation of officers Friday at Silvergate Lodge No. 296. Raymond W. Tombaugh was installed as master. Newton is immediate past master.

Other officers are: Conrad Spencer, senior warden; Melvin Ketcham, junior warden; Thomas Meyer, senior deacon; Aylmer Keith, junior deacon; Merton Rose, chaplain; John Boaz, senior steward; Donald Snowden, junior steward; Wilber Betteridge, tiler; Warren Fitchum, treasurer and Archie Wynne, secretary.

Installation was held at the lodge's temple at 3795 Utah St.

Local Girl to be Heard In 'Messiah'

Miss Dianne Lairsey, daughter of Mr. and Mrs. D. D. Lairsey, 8285 Palm street, Lemon Grove, will be one of the principal soloists when the San Diego State College production of the "Messiah" is given on Christmas Day.

The 230-voice College chorus, the 60-piece symphony orchestra, together with eight soloists will present the famed Handel opus over Radio Station KFSD from 1:00 p.m. to 2:30 p.m. Christmas Day afternoon. Dr. Arthur Westbrook, faculty member, will conduct, and the piano and organ will be played respectively by Benny Kemp and Mervin Snider, also faculty members.

Three Man Phoney Check Team Invades Area

The sheriff's department last week said that a three man phoney check team had invaded the Lemon Grove, La Mesa and El Cajon areas. As far as is known no one has suffered a loss in the Spring Valley area but merchants are warned to be on the lookout.

The checks were cashed mostly in the supermarkets of the areas. The phoney paychecks were supposedly issued by well known local companies, but began bouncing back shortly afterward.

It was reported that the checks were presented at the markets during the rush hours, and bore what appeared to be the names of persons employed by the com-

panies issuing the checks. So far no one has been able to give a clear description of the three men. Deputy sheriffs said it may be a hit and run operation, but it still pays to be careful about cashing checks.

FALSY GROUP TO INSTALL LEADERS

Officers have been named for the coming year by The United Cerebral Palsy Association of San Diego County.

New officers are: George Heckard, president; Jack Alken, first vice-president; Manuel Ferriera, second vice-president; Mrs. Mary Payne, secretary, and Bert Betts, Lemon Grove, treasurer. Mrs. Kathryn Breesch will continue as executive director.

Winners Listed in New Furniture Store Opening

"Zip" and there's another name added to the growing list of Lemon Grove door prize winners as Mrs. R. L. Scott dips deep into the hatbox held by Roy Lane as Patrolman Hal Johnston looks on.

Drawing was to mark opening of Harbor Furniture at 7769 Broadway recently and to make the drawing completely impartial, and honest, too, Roy Lane, of Lane's Men's Wear; Mrs. Scott, same organization, and Johnston were called in.

Ken L. Holmes, store operator, said winners were Mrs. Emelle Lindsey of Santee, television set; Helen Sanderson, 8065 Mt. Vernon, box springs and mattress; Mrs. Caldwell, 7325 Cuyamaca, radio; Mrs. R. B. Sanders, 1526 Koe St., tv chair; Florence Smith, 7867 Mt. Vernon, heater; J. Thompson, 3640 Costa Bella, string of pearls and Mrs. E. L. Etheridge, 3838 Avocado, Spring Valley, stuffed pink elephant.

Nearly a thousand persons registered, Holmes said.

After 20 Years Ring is Lost

Perhaps there is a husband in Lemon Grove who is in the dog house with his wife or his family.

There might be more than one such man, but in mind particularly is the man who lost a plain gold wedding band, man's style, inscribed "August 3, 1936."

Joseph Farnsworth found the ring on the sidewalk in front of the Lemon Grove Post Office Friday evening.

Mrs. Farnsworth telephoned the news about finding the ring to the REVIEW, and said the owner is welcome to telephone her at HO 3-2037, or come to the Farnsworth residence at 3075 Corona Drive.

She also added that the person who lost the ring should claim it quickly because the ring fits perfectly the "wedding finger" of her husband's left hand.

Earl Morrison In Veterans' Hospital

Fellow businessmen and his many friends have found out that cards and letters of encouragement can be directed to Earl Morrison at Ward 9, Bed 45, Veterans Hospital, Long Beach. He is ill there and no date for his discharge has been set.

Mrs. Morrison said, however, that Earl is doing well, but that he is lonesome for Lemon Grove and home.

Morrison is the owner and operator of Morrison-Adams Jewelers here. He is also a Master Mason.

IN MEMORIAM

Mrs. Sarah Eleanor Cornell, 89, died Friday, November 30, at her home, 4115 Conrad Drive, Spring Valley. A native of North Wales, England, Mrs. Cornell had lived here for nearly 50 years. Mrs. Cornell was the step-mother of Mrs. John H. Fenniken of the Conrad Drive address, and was well known as an artist and musician.

Local Insurance Man Given Honor

Joseph A. Finkelman, 7680 Canton Drive, Lemon Grove, has just entered the exclusive "Penn Mutual Club" of the Penn Mutual Life Insurance Company.

To gain that distinction, Finkelman, who works out of the George Howard Agency, wrote \$1,027,975 in insurance on 97 lives.

As further tribute to his knowledge of life insurance underwriting and his sales ability, Finkelman has been invited to appear in Salt Lake City on December 28th to speak to the staff members of the Tod Bechthol Agency in that city on the subject, "Selling Life Insurance."

Graveside services were held for her in Greenwood Cemetery, Monday, December 3.

Helix Project Provides \$1,000 for Hungarians

Helix "Help for Hungary" campaign which ended Tuesday produced more than a thousand dollars for the project according to Jim Glazebrook, one of the editors of Highland Fling, the school publication.

Service clubs contributed \$483; ASB president.

Lemon Grove (Calif.) REVIEW

PETITION TO MOVE P.O. (Continued)

Mr. Sonka back the land on which the present youth center is located if Sonka would move and install the old building on the presently owned Swimming Pool Association land. He did not explain the legal processes by which he expected to accomplish this. Sonka deeded the land to the county for recreation purposes years ago.

Max Goodwin suggested that a package deal that would include a new postoffice and parking would have considerable appeal.

John Dail said he would carry a petition locally by which he could ask our congressman to cancel the present postoffice lease and to authorize building a new one. By this time vice president of the Men's Club Lee Sparks had taken over to attempt some semblance of order.

Henry Goldy said he would serve, without charge, hot Tom and Jerry punch at the next meeting. Ken Rister suggested a speaker from the county to tell about the library and its possible site. George Casteel said that it would be fitting for the club to be hosts to the local ministry and invite the preachers to come as guests. It was pointed out that Tom and Jerry and preachers are not a happy mixture but the suggestion carried nonetheless.

Liquor Involved

Some individuals interested in the future of the Youth Center are apparently in accord with moving it. Commercial development, nearby, including possible alcoholic retail sales, would jeopardize the future of the present center, they feel. Law is that a thing like a youth center or a school may not be within 600 air line feet of an on-sale alcoholic beverage place, or 200 feet from an off-sale place.

The Men's Club meets every Friday at Michael's at noon. All men are invited.

Lutherans Plan Yuletide, New Year's Services

Lemon Grove Lutheran Church services on Sunday, December 23rd will be shaped entirely toward Christmas worship with three sessions scheduled.

Services will be held at 8:30 a.m. and 11:00 a.m., emphasizing the Yule season, and at 9:45 a.m. a special service for all regular Sunday School rituals.

On Christmas morning at 10:30 o'clock, church pastor, the Rev. H. C. Bakken will conduct the annual Christmas Festival Service.

A New Year's Eve Fellowship program will get under way at 8:00 p.m. the evening of December 31st and continue until the new year is ushered in.

Last Sunday the morning Sunday School service was given over to children's annual Christmas party.

On that day also Teri Lynn, daughter of Mr. and Mrs. Henry Templeton, Lemon Grove, was baptized at the eleven o'clock service.

THREN NAMED VEEP OF E.C. VALLEY REAL ESTATE BOARD

Dan Thren, Lemon Grove realtor, was named second vice president of the El Cajon Valley Real Estate Board and will be installed at a Christmas party this week at Caspar's.

Installed this Thursday with Thren will be Jim Cutro, president; Dr. S. Kubie, first vice president; Eric Reiman, treasurer; Eleanor Hayes, secretary and Bob Jones.

Last Rites Held For Mrs. Berends

Funeral services were held Monday afternoon from St. Paul's Episcopal Church for Mrs. Theodora R. Berends, 1528 Skyline Drive, who died Thursday of last week.

Mrs. Berends had lived here for 25 years and was active in affairs of St. Paul's of which she was a member. There are no survivors.

Arrangements were in charge of Lewis Colonial Mortuary, where cremation took place immediately after the service.

MOORE'S GRANDDAUGHTER WINS PHOTO BEAUTY CONTEST

Patricia Ann Gray, 22 months old, of Phoenix, granddaughter of Mr. and Mrs. Frederick S. Moore, 3842 Costa Bella Drive, was judged winner of a photo contest earlier this month.

The contest was sponsored by a Phoenix business house and the parents of the little girl won a gas range.

Mrs. Gray is the daughter of the Moores.

William Shearer Weds Eileen Linstrom

Eileen Knowland Linstrom and William K. Shearer were married November 23, at the Central Congregational Church in La Mesa. Alexander Milne officiated. The ceremony was for members of the immediate families.

Following the wedding, a reception for 300 guests was held at the Admiral Kidd Club in San Diego. Among those attending were Mrs. Amy Sonka, Louis Sonka, Pete Miller, Mrs. L. D. Newton, Mr. and Mrs. Paul Harvey, Mr. and Mrs. James Douglas, Mr. and Mrs. Earl Andrix, and Miss Clara Sonka, all of Lemon Grove, and Mr. and Mrs. Anthony Spinnazola of Spring Valley.

After a brief honeymoon in Nevada, the Shearers are now at home at 7988 La Mesa Boulevard, La Mesa.

Shearer was unsuccessful candidate for state assembly from this district.

Lois Bradstreet "Grease Monkey" — And She Likes It!

Lois Bradstreet, daughter of Mr. and Mrs. David B. Bradstreet, 1963 Imperial Avenue, Lemon Grove, doesn't get a bit mad when her teenage friends, and adults, too, call her a "grease monkey."

For she rates the title, an honorable one, at Helix High School where she is the lone feminine student in an auto shop class — a select course heretofore limited to hardy males.

Lois is the owner of a passionate pink 1948 Austin, and because she wanted to learn how it ran enrolled in the shop class. Tugged out in blouse and denim pedal pushers, she is currently working on a foreign make V-8 engine.

She's not going to follow auto mechanics as a career, however, because she is a business major and intends to attend a business college when she graduates from Helix.

Hospital Auxiliary Elects New Officers

Mrs. W. K. Phillips, Lemon Grove, was elected and installed as area chairman of the Grossmont Hospital Women's Auxiliary at a meeting of that organization Friday night in La Mesa.

Other officers elected and installed included Mrs. Jena Hutchens, president; Mes. Vernard Francisco, vice-president; Mrs. E. T. Strong, recording secretary; and Mrs. M. L. Baker, record secretary. Mrs. E. J. Drew and Mrs. F. N. Evans, treasurer and financial secretary, respectively, will handle the auxiliary's financial affairs.

Mrs. J. A. McGilvary, Spring Valley, retiring co-chairman, was present as retiring co-chairman from that area.

An inspirational discussion and a pleasant social hour rounded out the meeting.

Military Service Requirements To Be Aired At Meets

The Naval Reserve Training Center, Harbor Drive Boulevard and Lowell street, San Diego is currently staging 50-minute public lectures on military requirements for young men who have attained the age of 17 years.

Many telephone calls and personal visits to the center by young men and their parents, seeking information, has convinced Commander L. J. Pilson, center commanding officer that some means should be devised to acquaint inquirers about the requirements for service in all of the armed forces branches, not just the navy.

These lectures are the answer, and the public is cordially invited to attend anyone of them any Wednesday evening through February 1st. Each session begins at 7:30 o'clock. Excepted are December 26th and January 2nd, days immediately following holidays.

Questions from the floor will be answered, and an opportunity to learn all about military service requirements afforded.

J. D. FORBES NOW IN ELITE GROUP OF ACCOUNTANTS

J. D. Forbes, internal auditing group, Ryan Aeronautical Company, has been elected to membership in the San Diego chapter, National Association of Cost Accountants.

Forbes, who lives at 3624 Saddle Drive, Spring Valley, is now a member of an organization boasting of 140 chapters and 60,000 members throughout the United States.

SportsRoundup

By Bob Turnbull

Basketball . . . (prep) Three straight victories the past week have enabled the Helix Highlanders to have the best Metro slate in non-league games at six wins and only one loss. Last Wednesday the green wave completely routed Kearny, 64-45. High scores for Helix were Gail Barsotti, 16; Gene Dennis, 10 and Ronnie Mulder, 10. Friday night saw the "game of the week" at Grossmont gym as the Highlanders easily handed the Hoover 5's a 63-46 defeat. High scorers were Barsotti, 17; Mulder, 15 and John Drumm, 10. Saturday night the Highlanders were pressed to eke out with 21 points. Thus far in the non-league race (discounting the Kiwanis tournament) Helix has scored 377 points to their opponents 314. Out of the top 14 individual league scoring leaders Helix is first, second, third and eighth. First is Barsotti, 90; Mulder, 74; Drumm, 60 and then Jerry Goins, 44.

COLLEGE: San Diego State is battling way over 500 per cent having a good last week. They twice defeated Nevada, 80-72 and 74-64; lost to Sacramento State, 74-71 and beat Chico State, 91-62. San Diego Junior College was one-for-two last week as they beat Riverside JC 74-65 but lost a close one to tough MCRD, 57-55. San Diego University beat Oceanside-Carlsbad JC for the second time this year, 85-63 and the USD Jayvee team beat the Fire Dept. B's, 35-25. State's JV team edged Palomar JC, 78-77 in an overtime contest.

Wrestling . . . Helix scored a 48-8 victory over Army-Navy Academy last week in their first wrestling bout of the season.

In the Auditorium of the First Baptist Church, located at Main and Burnell streets. This impressive program is under the direction of Mrs. Bob Rochelle.

Local Doctors Attend Chest Disease Symposium

Three Lemon Grove doctors were among the more than 250 medical men and women who attended the third annual Chest Disease Symposium recently at the U. S. Naval Hospital in San Diego.

The Doctors, traveling from five counties and Tijuana, heard specialists in the field of chest diseases discuss the newest techniques of diagnosis and treatment and give technical information on ailments ranging from tuberculosis to cancer of the lung.

Attending from Lemon Grove were Dr. T. R. Early, Dr. W. R. Herbert and Dr. Gilbert Chassy. Dr. Robert S. Mitchell, University of Colorado professor, reported growing immunity of tubercle bacilli to new drugs which have cut the TB rate is being noticed in studies in Denver. He said that more and more of the tuberculosis patients suffering relapse are having their cases reactivated by bacilli which have become resistant to the new drugs used in original treatment.

Among the other highlights: A newly developed biopsy has increased the proof of diagnosis in pleurosy from 40 to 95 per cent in a patient test.

Evidence has been found that air pollution, as well as smoking, may be a contributing factor to

CHIQUITA WILL HAVE OWN HOME NEXT WEEK

Chiquita will say farewell to her friends of the Lemon Grove Business Women's League and go with her new owner after the drawing Saturday, Dec. 22 at 3:00 p.m. on the Plaza. The winner of the doll will be richer by \$100 as well as the owner of the beautiful Chiquita. Those who do not have tickets for the drawing may purchase them anywhere there is a picture of Chiquita displayed or on the street at any time between now and the drawing.

The Lemon Grove Intermediate School Vocal Chorus and Brass Section will entertain before the drawing beginning at 2:30 p.m. All money taken in from sales of tickets will go to maintain and beautify the plaza. This is the only way that there is for raising the necessary amount of money needed to landscape that area surrounding the railroad tracks.

cancer of the lung.

The danger of damage to the reproductive organs by the radiation of chest x-rays is even less than the danger from the

It was the largest symposium common radium-dial wristwatch, in the three-year history of the program, with doctors traveling from as far away as San Bernardino to be present.

Now, real
medicated help for your
troubled skin!

by Margaret Herbert
Director of Dorothy Gray Salons

I have wonderful news for you! Dorothy Gray scientists have developed a new medicated treatment to provide effective help towards clearing troubled complexion. It's called the MEDICATED SCRUB SET and the whole treatment takes just 3 easy steps:

1. You probably know that good skin depends first and foremost on a thoroughly clean skin . . . thus, the first step is to lather on Medicated Scrub Soap. (Massage your face with your fingers in upward and outward strokes for 3 minutes.) Made with Oatmeal, it has an amazing ability to stimulate while purifying . . . to root out every trace of clogging dust, hardened oils and stale make-up. Really helps force out blackheads which might lead to blemishes, if neglected.

2. Next, put on cooling, bracing Medicated Refining Lotion. It gets at an important cause of many a troubled skin . . . bacteria! Also helps reduce the appearance of ugly pores . . . refines your skin to a smoother, lovelier look.

3. Last and essential step: Medicated Blemish Cream! Apply just before you retire. It works while you sleep to soothe and heal . . . rewards you in the morning with a softer, clearer face.

If you use this MEDICATED SCRUB SET conscientiously it will really pay off . . . with a complexion you'll be proud of!

KRAFTS TO BE HOSTS TO WOMAN'S CLUB JRS.

Something new has been added to the Lemon Grove Woman's Club, Juniors annual Christmas party! The husbands have been invited to attend and to make the event even more festive it will be held in the new home of Mr. and Mrs. Ralph Kraft on Loma Drive. It promises to be a very enjoyable evening. The hostesses will be Mrs. Vinni Sozzani and Mrs. Arva Piepenbrink, co-chairman. The refreshments will be furnished by the board, and several club members.

This year the Juniors are all "adopting" a child, and presenting them with a gift, thus helping to make quite a few children a little happier at Christmas.

CHOIRS TO BE TRINITY FEATURE SUNDAY

There will be special Christmas music and sermon at Trinity Presbyterian Church, 3900 Kenwood Dr., Spring Valley, Sunday, at both 9:30 and 11 o'clock services. The music will be brought by the Primary and Adult Choirs. Dr. Elmer Lloyd Jones, pastor, sermon topic will be "The Gift Of God".

The church school meets at 9:30 and 11 a.m. The Primary Department program for parents begins at 10:30. The Annual Christmas Eve Candlelight Service will be held Monday evening at 7:30 p.m.

Peace Officers, Youth Centers

Brace For Holiday

Lemon Grove and Spring Valley school kids, both parochial and public, can shout this week "school's out".

Some 152,000 public school students wound up their lessons Tuesday afternoon, and will not have to touch a book until Tuesday morning, January 2nd.

The parochial schools will stay open through tomorrow, Friday afternoon, throughout the San Diego Diocese, and will resume classes on January 2 along with the public schools. About 15,000 Catholic children will enjoy the shorter holiday.

Other denominational schools will also remain open through Friday afternoon, but all schools will be in session January 2nd.

Recreational centers, the YMCA and the YWCA, and other teenage and younger focal points for youthful play are braced for the long holiday rush.

The sheriff's department, the several city police departments in the area, and the California Highway Patrol will have augmented forces to cope with youthful exuberance and increased traffic problems while the schools are closed.

PACK 315 TO HELP NEEDY FAMILIES

Its Christmas Time for Cub Pack 315 as they and their parents enjoy a Christmas party at their December meeting in the Fellowship Hall of the La Mesa United Presbyterian Church, at 7:30 o'clock Friday.

The Reverend Rex E. Lawhead will give the invocation. Colors will be presented by Den 3. Mrs. Betty Prather, Den Mother.

Canned food will be brought to fill Christmas baskets for needy families.

PAGEANT WRITTEN BY REV. COOKE TO BE METHODIST CHURCH FEATURE SUNDAY

An annual Christmas pageant, presented to the community each year by the Lemon Grove Methodist Church, will be given Sunday evening at 7:30 p.m. in the Sanctuary, 3205 Washington St. The pageant, this year entitled "A Skeptic Finds Christmas", was written by the minister, Reverend Donald B. Cooke, and combines the traditional elements of the birth story with the story of a contemporary man who is skeptical about the real and lasting significance of Christ in the world.

Members of the youth fellowships of the church along with other adults and with the Chancel Choir will combine to present the hour-long drama. Members of the church cordially invite the entire community to share in this program and enjoy the retelling of the birth of Christ.

If you want to get rich, learn how not to spend.

Sparse Attendance for Meaty Problems at Coordinating Council Session Last Week

While there were just a handful of members at last week's meeting of the Coordinating Council, still some very important items of interest to Spring Valley were put before the house.

Wally Johnson of the Casa de Oro Civic Association said that rezoning of the entire valley is to take place in the near future and that it is up to the citizens of the area to decide what sort zoning they want. Due to the fact that rezoning is a citizens' request, the county planning commission has put this area on the priority list.

Johnson, who also represented the Spring Valley Lions Club at the meeting, said the Lions are planning to build a clubhouse in the Casa de Oro area as soon as the rezoning has taken place. The clubhouse is to have a swimming pool of olympic size and will accommodate many persons in the area.

Mrs. Thelma Lewis, president of the council, said the double white line on Campo Road that ends about at Bancroft will be extended to Conrad Drive soon. She said that the 35 mile speed limit will also be extended east.

It was brought up that the gym at the new Mount Miguel High School will be built at a cost of \$2 per square foot less than the original estimate. The school will be ready by September, 1957.

As the outcome of a meeting the week previous with Claud Hupp and G. H. Liggitt of the county park and recreation department, who were here to find out about the Spring Valley Control Board, the following was decided: Mrs. Vivian Lawton of Central Avenue will relieve Mrs. Edith Robeson as committeeman for renting the Pals and Gals Clubhouse. Mrs. Robeson has had that job for several years.

The county officials said that a new control board should be elected, although they meet only once or twice a year. The coordinating council decided they will act as the control board and use whatever members of the council attend the meeting to act as control board members. They will have the say so as to who may rent the Pals and Gals Clubhouse and how much they will pay for the use of the hall.

The control board rules state that the clubhouse may be used by most any group except for those who wish to use it for profit making or for church services. The Spring Valley Control Board has been mostly under the direction of Mrs. Maye Dutelle and Mrs. Robeson for quite some time and they wanted to be relieved.

Bill Schell, principal of the Bancroft School, told the coordinating council that within three years the proposed Belt Line will be coming through Spring Valley. Part of the line, he pointed out, will take about 75 feet off the Bancroft School playground. It will be up to the parents of the school children to complain to the county about the problem, Schell explained.

The Belt Line is going to create another safety hazard and before it is installed people of the area should begin their safety meetings and reach their decisions to be presented to the county.

Helix Freshmen Take Preference Vocation Tests

Helix Hi School freshman class participated in the Kuder Preference test. The 540 freshman took this test as part of their vocational unit in English-Social Studies class.

This test is designed to help students find their vocational interests. Freshman students are then permitted to study their job interests, taking into consideration the hazards, training required, advancement, retirement possibilities and salary.

While studies show that more than 50 percent of the students change their vocational preferences before graduation, insights are afforded by the tests, according to statements by Mrs. Clara Brown, freshman counselor.

This test is followed in the sophomore year by the Differential Aptitude Test and in the senior year by U.S. Employment Office tests and work experience.

"Put the student's abilities, interests and grades together and we have a fairly accurate picture of the student's future," Mrs. Brown said.

Mataguay Ranch Purchased For Scouting Activities

Acquisition of the 679-acre Mataguay Ranch, near Warner Hot Springs, as a new Boy Scout Reservation of the San Diego County Council, Boy Scouts of America, was announced recently by Dwight E. Stanford, Council President.

The ranch located in the Mataguay Valley, is three miles long and a half-mile wide. On Mataguay Creek, the ranch is in the heart of the Valley adjacent to Vulcan Mountain and is heavily forested, offering an ideal location for Scouting activities, Stanford said.

The property, purchased from Lynn H. McClintock, of Pasadena, has a historical background dating back to 1846, when a Spanish land grant was awarded to Juan Jose Warner. The Warner Ranch land originally encompassed more than 40,000 acres in the area.

Robert W. Town, chairman of the newly-formed Council Properties Committee, will direct the program to prepare the property for Scout use.

"Virtually all of the 679 acres can be made available for the development of unit sites, involving a number of section camps plus necessary administrative facilities," Town said. "There is an ample supply of water that will be suitable for drinking with the installation of a purification system."

"It is our plan to have limited camping activities there during the Summer of 1957 and carry on with the future camp development."

The Mataguay Ranch can be reached most easily from San Diego by taking U.S. 395 to the Poway cutoff and Highway 78 to Santa Ysabel. A left turn at Santa Ysabel on State Highway 79 will bring motorists to the two entrances to the ranch. The first turn into the ranch is at the San Felipe intersection at the substitution of the San Diego Gas & Electric Company.

Warner who acquired the land originally, was a Connecticut Yankee first named Jonathan Trumbull and became a Mexican citizen. The area was the scene of an Indian uprising involving renegade sailors from the ship Hopewell in November 1851. As a result of the trouble, the Indian leader, Antonia Garra of

the Cupenos tribe, was executed in Old Town.

Skyline Youth

Is Year's Best Player

"Player of the Year", Gary Dunn is probably the greatest local football recognition received by Lemon Grove's 17-year-old senior Gary Dunn. The son of Mr. and Mrs. Cory E. Dunn, 1707 Skyline Drive, Monterey Heights, Gary recently received this title through the medium of the daily papers in its annual poll. Running a close second to this favorite recognition is being accepted "most valuable player" by his teammates at the already-held football banquet at Helix High School.

First string left halfback and reserve quarterback were the positions played by Gary on the Metro League Champ pigskin crew.

Born July 1, 1939 at Paradise Valley hospital, Gary attended Lemon Grove High School for his freshman year. Grossmont's loss was Helix's gain.

Four years in football, three in track and two in baseball is Gary's busy sports program. Standing six foot one inch and straining the scales at an even 200 pounds this griddle is equipped with blonde hair and green eyes that please his steady girlfriend, Betty Krenach.

Last year Gary shared chores with Helix's "player of the year" Henry Bonilla, another Lemon Grove ace. What has Gary done for the green 'n gray attacking wave? Well, besides impressing the homefolk Gary has also impressed Time Magazine and the San Diego Union by being heralded the best prep punter in the nation with an average of 46.6 yards per boot. In six carries he gained 207 yards in the rampage over Palo Verde earlier this year and scored three touchdowns. He passed the winning aerials in the pre-season carnival and first Chula Vista game. He was third in the league in total points with 41. He was second at Helix. Gary played every game and was co-captain for the year as well as being on both offense and defense of the 1956 All-Metro All-Star Football team. He is also an improving hurdler in track having raced the high timbers in 15.4.

He still holds the National Junior Olympic eight-pound shot put record of 65 feet nine inches.

"I don't mind getting reprimanded for something wrong I do, but I was sure burned when I got booted for the second game against Sweetwater for supposedly slugging one of their ends when I didn't touch him," states Gary. "Otherwise things were pretty routine." (Helix won that game, 21-0).

A member of the Big Brothers of the Spear and Lettermen's Club, where he is sgt-at-arms, Gary is also a member of the Key Club. Brother Larry is a Highland sophomore.

Gary's future plans will be either be in the Air Force Academy or Oregon State, then marriage and the Fish and Game Department. Hunting and Fishing, plus growing trees are young Dunn's hobbies.

"Desire and hard study are the paths to success," states Gary. "A fellow is virtually nothing unless he has desire."

One interesting item in this interviewer's scribbled notes is that Cory Dunn played for USC as a halfback from 1936-39 and played against Ohio State in the Rose Bowl game. Played against a chap named Tom N. Welbaum who is the present Helix head grid mentor. Cory later played six years of pro ball with the Washington Redskins and San Diego Bombers. So it's not hard to figure why Gary is a successful pigskin packer from Helix High School.—B.T.

Help Needed Now For Tot in Hospital

Little nine year old Carol Jean Berger, daughter of Mr. and Mrs. Frank Berger of Bancroft Drive, had to be taken to the hospital last Wednesday for an emergency operation. She had previously been operated on for an

abdominal ailment, and it was thought her condition was improving.

The operation and care of Carol Jean has been quite an expense for the Bergers and Santa Claus could use a bit of help from the good neighbors of Spring Valley and the surrounding area.

Mr. Berger (Frank), a Captain on the Spring Valley Fire Department, has been unable to get any group insurance, due to the fact that there are not ten paid firemen in the department.

Santa's helpers can be reached at HO 6-2361 and HO 6-1898.

Womans Club Hears From Adoptee in Korea

Mrs. Schuyler Read, editor of the Lemon Grove Woman's Club publication, "Club Tidings" has received a Yuletide letter of thanks from that organization's adopted Korean War Orphan, written by Kim Bok, home mother.

The orphan, adopted by the Lemon Grove club, is named Jung Hi, and the letter states that she is a "cute little tot with a clever looking face and manners that attract quite favorable attention."

Accompanying the letter is a short poem written at the orphan center in Korea for the little girl, expressing gratitude for the help our ladies have been giving the waif.

The letter from far-off Korea, released by Mrs. Florence Hawthorn, 8295 Panchoy Lane, club publicity chairman, closes on a note that little Jung Hi and the other orphans will remember their American benefactors in their Christmas prayers.

Should!

A lot of self-made men should deny it. — The Log and Dope Sheet, Bremerton, Wash.

Most reformers are satisfied with themselves. Lemon Grove (Calif.) REVIEW December 20, 1956 Page 9

ABOUT CIVIC CENTER

(Continued)
Hanower bid four and one-quarter percent.
10:45 was reserved for hearing Vern Humphreys et al. of Vista,

re Medrose Ave. cut-off. George Cromwell, former City engineer, now living in Vista, went to the magnetic board, took the pointer firmly in his right hand and pointed out the advantages of the cut-off. Looked like George won the argument.
At 11:00 hearing on proposed formation of Valley Center Ceme-

tery District was heard. Since protests were on file, the Board asked that two weeks be allowed for preparation of Resolutions, etc.
At 11:15 a hearing on Resolution to change the name of Avocado Drive in Jamul to Jamul Drive, requested by Jamul Las Flores Community Club, and

recommended by Department of Public Works. (Gosh, that's a good change, for every crossroads in this area has an Avocado something, D.H.)
Solana Beach Section got a play on two items of reclassification from A-4 (1) to R-4 property.
HASSLE ON \$30.00

At 11:45, continued hearing on Assessment No. 156 for construction of sidewalks and driveways in Dryden Road, et al, Fletcher Hills, 1911 Act unincorporated Area No. 43, Road Improvement District No. 6009.

Three ladies and a handsome man in Navy blue, with several stripes on his sleeve, stepped up to the mike in a group—a lady did the talking. Something about they not being notified of what was required. The contractor's name was mentioned, also Joe Mack's inspector. Developed that \$30 was involved. Dave Bird asked if the County could not find a way to do whatever was necessary to the driveway and save the expense of making a re-assessment. That was where the \$30 came in. Final decision was put over on that basis. Joe Mack thought something could be done that would clear the way for the contractor to get his money. The three ladies and their escort—one of the ladies was his wife—left the room, smiling. (I guess the other ladies were neighbors, D. H.)

Fiesta del Pacifico requested \$15,000, (original request was for \$50,000) to finance national advertising for the annual event. The Board took the matter under advisement. Last year both the city and county each donated \$50,000 to underwrite the Fiesta. The Board approved payment of \$1500 to Junior Chamber of Commerce for the City - County float at Pasadena's New Year's Day parade. The city has appropriated a like sum for the float. November profits from Bert Strand's Grocery store amounted to \$228.24, which sum was ordered transferred to Inmates Trust Fund.

Grossmont Union High School requests a temporary transfer of \$25,000 from the Treasurer, who states that the funds are available.

Letter from County Counsel recommending denial of claim of Roy E. Nielsen of \$235.27 for damage allegedly caused by boulders in Olive St. in Lemon Grove.

Two things that most young girls heed: the telephone bell and the automobile horn.

Expect little and you will rarely be disappointed.

Johannah Covell Eyes Nursing As Possible Career

Johannah Covell, daughter of Mr. and Mrs. Walter R. Covell, 3741 Harris street, Lemon Grove, serves as treasurer of the 20 member Future Nurses of America Club at Helix High School. Johannah, with her fellow club members is learning all about opportunities for careers in nursing. The group, under the tutelage of school nurse, Mrs. Roberta Thomas, visits blood banks, hospitals, and clinics as adjuncts to bi-weekly club meetings.

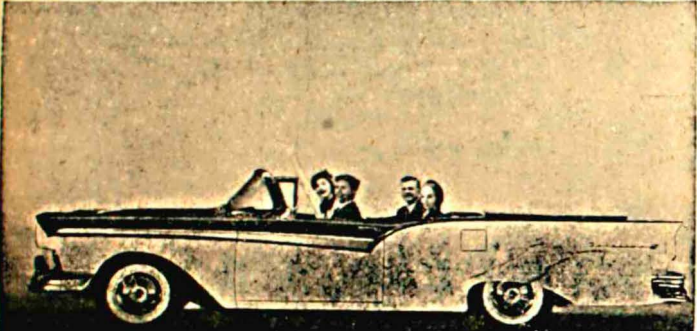

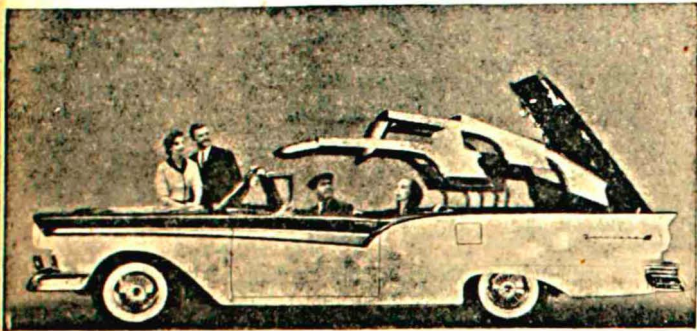

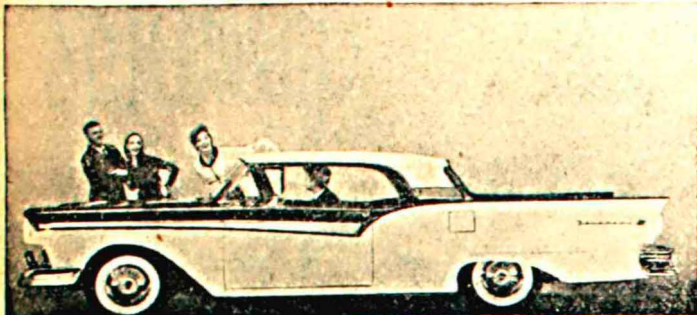

HOLY COMMUNION SERVICE TO BE HELD XMAS EVE AT ST. PHILIP'S

St. Philip's Episcopal Church will have midnight service of Holy Communion with the choir, beginning at 11:30 p.m., on Christmas Eve. On Christmas Day the service of Choral Holy Communion will be at 10 a.m.

On Friday, December 28, St. Philip's will take its turn as host at the Service Men's League at St. Paul's Church, San Diego. The hour is 8 to 11 p.m. Junior hostesses over 16 years of age are needed, and married couples who will go to visit with the service men.

A 1957 FORD CAR offering the advantages of both the hardtop and the convertible represents the first revolutionary new idea in automotive design since the development of the closed car 40 years ago. To change the hardtop into a convertible, the driver simply presses a button and the all-steel top automatically slides into the trunk where it is completely concealed. It's equally simple to raise the top. The center picture shows the top in operation. Production of the car, a Ford first, will start in January.

The car will be on display at Spears Ford, 7220 Broadway, Lemon Grove.
